Exhibit c

(SLR)

As To Case # 0608025346 I issued a writ of Habeas Corpus to Superior Court on the above case Number.

They claim I Filed under 0703011254 which I didnt, IN Fact the Superior Court only look at the sentence I was serving per Judge Jan Jurden

Now if you see ON 12-12-07 Jan Jurden denied A Habeas, what Habeas was was pending December 12-12-07

IN Fact the Court Just look up my previous order which was case # 0703011254

And Not what case I Filed under, Ask court to see the Habeas, 12-12-07

upon return 6-4-07, I was on level 4 I was pending above case 0703011254 And pick up 3 charge upon Arrest

• The First step should of been a Violation of Probation, or sentencing Judge should of reorder sentence

Sorry, my mistake, he used the wrong case #, he was serving a valid 6 months level 5 sentence in reference to 0703011254, he should have use the 0608025346 for a previous level 4 sentence that he was serving when he was returned to level 5 custody due to the new case # as to why he was complaining.

He has not received a copy of that denial yet though, maybe he will later.

As always appreciate you help, hope you have a Very Merry Christmas.

This shows I was released
 I was return with out

Ok, he filed a Habeas, but not on this case # that you're referring to. He filed a Habeas on 0703011254. Judge Jurden Denied that on 12/12/07.

Janice, thanks for the reply. but Cathy in records says she did respond to one on 12/12/07, and even the Plummer Ctr has the ability to look in JIC and apparently sees a habeas that is still pending.

Want to recheck?

The Habas pending was in Fact case # 0608025346
 There Never was a Habeas under 0703011254
